Parent Involvement

We strongly encourage, and indeed depend upon, family involvement with our school. We ask that each family put in 20 hours of volunteer time each year.

We believe family involvement is critical to the success of children AND to the success of our school. You are your child's first teacher. You are an important part of our sustainable school community.

If you are unable to volunteer 20 hours, we ask that you "buy out" for \$200.00 (or \$10 an hour).
