Parent/Student/Staff School Compact

The school firmly believes that all students can and will achieve at high levels when administrators, teachers, staff and parents work in collaboration with each other. As stated in the Parent/Student/Staff School Compact, each partner accepts responsibility for the successful education and college preparation of each student. This document is part of each student's enrollment packet and is explained to all new families during orientation.

Continuing parents and students are asked to sign the compact at the beginning of each school year.

Parents as Partners (Parent Engagement Policy)

The school values the role of parents as their child's first teacher and welcomes their active involvement in their child's education. The school believes:

- Parents are partners and are needed to take active and meaningful role to insure the success of the school.
- Parents must be meaningfully and actively engaged in their child's education and responsible for supporting their child's learning at home.
- Parents must also understand what it will take to prepare their child for college.
- Parents must support the goals of the school through their voice and through volunteering a minimum of 40 hours per year.
- Attend at least 4 Parent Education Academy Sessions each year.
- Complete an annual parent satisfaction survey.

Tips to Help Your Child Succeed

Research shows that effective and consistent parent participation leads to student success. Below are some suggestions to help your child succeed academically.

Tips to Help Your Child Succeed

1. Encourage your child to be an active and responsible learner who completes and turns in assignments and homework when they are due and seeks assistance when needed.
2. Ensure that your child arrives to school on time each day and supports school policies such as discipline, safety, proper school attire, textbook care, etc.
3. Review your child's agenda and encourage your child to use it on a regular basis to keep track of homework assignments, projects, exams and other important school events.
4. Monitor your child's overall progress on a regular basis. Do not wait until progress reports and report cards are issued to find out how your child is doing in school.
5. If your child is struggling with their schoolwork or needs help, speak with your child's advisor and/or teachers and ensure that your child attends after school tutoring.
6. Help your child establish a regular time and place to study and to complete their homework and school projects. Make sure your child's study area is well-lit and is stocked with necessary school supplies.
7. Talk to your child about what is happening at school and what they are learning.
8. Encourage your child to read for pleasure and limit TV, video game and Internet usage.
9. Attend all scheduled parent/teacher conferences, school activities and parent educational workshops.
10. Support your child's school by volunteering a minimum of 40 hours each year. Contact the school for more information.

Volunteering

There are a number of ways you can volunteer and demonstrate your commitment. Parent volunteer service hours are earned by directly supporting the school and by supporting your child academically. At the beginning of each month the parent volunteer schedule will be sent home with students and will be posted in the parent center or school bulletin board. Feel free to call the school at the beginning of the school year or any time thereafter to volunteer.

Leadership Opportunities for Parents

Educational Workshops for parents

Parents are expected to attend some of the educational workshops each year. This will count towards the annual 40-hour volunteer service commitment. To participate in a workshop or special training for parents, refer to the schedule of parent workshops for the year.

Parent/Teacher Conferences

Parent/teacher conferences are held 2 a year. At this time parents have the opportunity to meet with some of their child's teachers or the entire instructional team to discuss progress and areas students need to strengthen.

Teachers are available for parent conferences every day except Wednesdays. If you have concerns regarding your child's grades, please contact the school to schedule a conference during the teacher's conference period. Attending parent/teacher conferences is mandatory and can be applied to your parent volunteer commitment of 40 hours.
