Promotion Requirements

Promotion Requirements

Middle school students (grades 6 - 8) are required to participate in the educational and academic classes offered in the areas of English, Reading, Mathematics, Science, and Social Science. The Green Dot promotion policy ensures that each child is prepared to progress successfully through grade levels in order to prepare for success in high school, college, leadership and life.

- Attendance: In adherence with the Green Dot Attendance Policy, any student who misses more than 15 days in a semester may not earn promotion ceremony/activity privileges.
- Course Grades: Students who fail one or two courses per school year may be required to pass summer school to qualify for promotion.

The administration reserves the right to review special cases and allow consideration to be given.

Promotion Ceremony Participation Requirements

Parent Volunteer Hours	105 Hours (35 per year)
Paid All Debts	School requirement
Discipline	Student must be in good standing, according to discipline policy, and activity requirement. Please refer to discipline policy on page 13-22
Grades	Students may not have any Fs and must have a minimum GPA of 1.0
