Volunteer

Aveson families are strongly encouraged to contribute to the community through volunteering. With your time, energy and commitment, Aveson will continue to be wonderful place for our kids every year!

Each family is expected to complete at least 20 hours of volunteer service per year. We ask that you attend at least one Action Day, help with at least one fundraising event, and spend the rest of your hours doing whatever you are most passionate about. We have a list of [Action Teams](#) that may speak to your passion or you may consider contributing your talents in your child's classroom. *Every parent is welcome in his/her child's classroom any time.*

Please come to the office to sign in when volunteering on campus.
