Get Involved Parent Volunteer Log

As part of the Home-School Contract parents are required to complete 16 hours of volunteer service per year per family. It is the parents responsibility to record/log all their hours by mid May 2013. Please use this form to log each service you perform. Also don't forget to fill out the [volunteer interest form](#) to let us know the areas you are interested in volunteering for so we can contact you as opportunities come up. Thank you for all your hard work!
