## PARENT AND STUDENT MANDATORY VOLUNTEER PROGRAM

Dear Parent/Guardian and Students,

As a condition of enrollment at Encore High School, every family is required to volunteer 8 hours per semester as a parent or guardian and 5 hours for every student. This helps keep campus costs down and keep families involved in what happens on the Encore campus. There are a variety of tasks that can be done to earn these hours. In order to claim these hours, a parent volunteer form must be completed, signed by a designated staff member from Encore then turned in to the front office for credit. Students should also complete a volunteer form and turn it in to the front office. All volunteer hours are recorded on the central information system. Families not available to volunteer hours can donate specific goods for volunteer credit. If a family does not participate in the volunteer program, they can lose their enrollment status for the following year.

The following are specific tasks that need to be done and can be signed up for to earn volunteer hours. Please complete the following form and return to the administrative offices at Encore High School. You can also fax this request form to the front office at 760-956-2282 or E-mail it to vp@encorehighschool.com. A member of the Encore staff will notify you of the task you have been chosen to be a part of. If you have any further questions please call 760-956-2632. Thank you in advance for your help.
